**Subject:** EMBASSY OF PERU : VIRTUAL ROADSHOW

Dear Sirs,

We would like to inform you that our Government is organizing a virtual Roadshow of Peruvian infrastructure projects which will take place on November 17th, at 9:00 am (Peruvian time) with an estimated duration of two hours.

The Roadshow will begin highlighting the importance of European investments for Peru and making an introduction on Peruvian macroeconomic data and legal framework favorable to investments. As the main point, our Governmental Investment Agency will announce its portfolio of projects, and after the presentation, there will be a space for comments and inquiries from participating investors.

In this context, we ask for your valuable support in order to convey this invitation to the Roadshow, to potential investor companies in the fields of energy-electric transmission, distribution, gas-water and sanitation, transportation, hospitals, schools, among others. The flyer of the presentation and the program of the Roadshow are attached herewith for your consideration.

Finally, the registration to the event can be made through the following link:

In a joint effort between the Ministry of Foreign Affairs of Peru, ProInversión and EY we are pleased to invite you to the Peruvian Infrastructure Investment Roadshow . This initiative responds to the common objective of attracting more investment to our country, especially in these adverse times, where the effects of COVID-19 have seriously impacted the worldwide economy and private investment in infrastructure is a key factor to recover Peru's economic growth and development. During this webcast, we will present a portfolio of more than twenty projects for the period 2020-2021, through Public-Private Partnerships (PPPs). We will also provide an overview of the most relevant legal and tax matter for investing in Peru. Click on "Lima" and select the correct time zone according to your location please.

We will be honored to count with your participation and we stay at your disposal for further details of the event.

Best regards,

Edgar Alvarado Salamanca
