

## **NUTEC Plastics Roundtable for Europe and Central Asia - Access Link and Agenda, 7 October 2021 from 10:00 to 13:00 (CEST)**

We would like to kindly remind you that in just two days we will have the *NUTEC Plastics: Nuclear Technology for Controlling Plastic Pollution Roundtable for Europe and Central Asia* taking place. We thank all of those who have already registered for the Roundtable and call on everyone who hasn't done it yet to mark their calendar for Thursday, **7 October 2021 from 10:00 to 13:00 CEST** to participate in the Roundtable and to raise awareness of the importance of finding solutions to the plastic pollution.

We are glad to share with you the agenda of the Roundtable (attached). Please check your local time [here](#).

Kindly see below some key instructions and a link to access the INTERPREFY platform, as well as guidelines for using the Interpretify platform.

**Access Link:** <https://iaea.interpret.world/loginlink?token=S-vzQrgD3b>

- **Enter the following username: LAST NAME – First Name (Country or Affiliation)**

Before joining please test your settings using the following link: [Interpret.world](https://iaea.interpret.world)

More details about the Interpretify platform may be found here: [User guides - Knowledge Base \(interpretify.com\)](https://iaea.interpret.world/user-guides)

### **Important:**

- **Do not use a tablet or phone**
- **Do not click on “I am a host”**
- **Use Google Chrome as your browser**
- **Select English or Russian in languages for interpretation when entering the platform.**

**Simultaneous Interpretation will begin at 10:00 CEST**
